ACTI CMS 2

ACTi Central Management System

- Manage unlimited number of NVR servers
- · Live view local up to 64 channels
- · Synchronized playback local up to 64 channels
- · Export video with RAW and AVI formats
- Event trigger, response and notification
- Mobile Client, Web Client, Workstation
- Location-based management with eMap
- TV Wall support by additional software license

SPECIAL FEATURES

Up to 64-channel synchronized playback

Mobile client (iOS, Android) access
