# MOUNTING BRACKET

KEENFINITY

BOSCH

Industrial Mounting Brackets

The AMGMNT-KF is a dedicated custom mounting bracket solution that allows for the mounting of AMG media converters and surge protectors within compatible Keenfinity / Bosch camera surveillance cabinets.

Mounting IP Enclosure

Temp -40~+85°C

NDAA/TAA Compliant

[AMGMNT-KF*]

/ **OVERVIEW**

The AMGMNT-KF is a two part bracket providing easy mounting of several AMG products within the Keenfinity / Bosch camera enclosures ensuring a professional solution with adequate cable management area.

Designed to be fully compatible with the VG4-A-P, NDA-U-P & NBA-7070-PA series of camera surveillance cabinets from Keenfinity / Bosch.

The AMGMNT-KF is designed to support the AMG260M mini industrial PoE media converters, the AMG265M mini mains powered industrial PoE media converters and the AMG110M-1X industrial surge protector series. When mounting the AMG260M or AMG110M series two units can be mounted to a single bracket providing the perfect media converter with full surge protection solution.

The mounting bracket is supplied with all the necessary fixing screws for the Keenfinity / Bosch housing along with the screws required to mount the different AMG products to the bracket.

The Keenfinity / Bosch enclosure and individual AMG units must be purchased separately.

/ **FEATURES**

— Designed for the Keenfinity / Bosch surveillance cabinets VG4-A-P, NDA-U-P & NBA-7070-PA series complete with mounting screws for simple field installation

— Supports single or dual AMG units mounted in orientations to provide required cable management

— Supports the AMG260M & AMG265M industrial media converters along with the AMG110M industrial surge protectors

— -40°C to +85°C temperature maintains performance in extreme conditions

— Unique AMG designed mounting bracket kit provides easy assembly and removal for maintenance etc.

— Clearly labelled mounting holes for easy installation

— AMG Lifetime Support Warranty

* Keenfinity / Bosch Enclosure & individual AMG units not included
